

# Product Data Sheet: U-Anchor Membrane Separator™

Provides a positive separation and prevents abrasion of "L" feet Stand-Off Posts and other rooftop equipment

## Product Description:

The **U-Anchor Membrane Separator** provides a positive separation and prevents abrasion of "L" bracket, Stand-Off Posts, and other rooftop equipment attached to the U-Anchor Rooftop Attachment Solution. The membrane Separator is included with each U-Anchor sold and should be used each time the U-Anchor is installed. The Membrane Separator is 3" in diameter and includes a 1/2" center hole allowing the U-Anchor bolt to protrude through the center.

## Advantages:

Provides roof manufacturer accepted separation

## Packaging:

The Membrane Separator is provided with each U-Anchor purchased

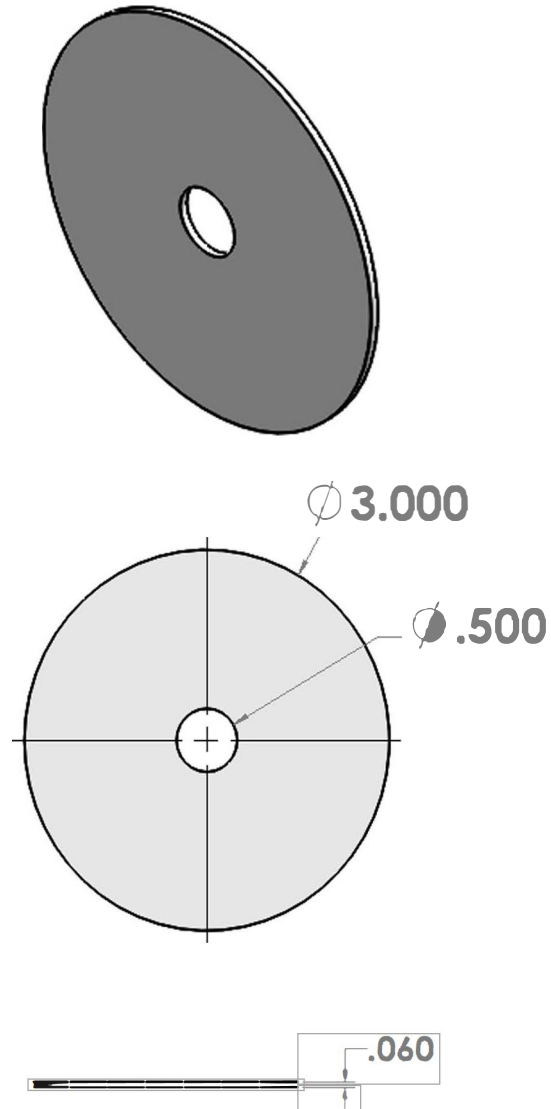

Sold individually as needed

Full package quantities: 10 units

## Warranty:

10 year standard material warranty

Up to 20 year material warranty available
