Description

The U3400-S EPDM is a lightweight rooftop attachment system consisting of an U-Anchor 3000 Series plate, flashing cover and separator membrane. The cover membrane is factory prepared and installed in the field. The U3400-S EPDM provides a fastened, watertight, warranted attachment for mechanically attached EPDM single-ply membranes.

Advantages

- Extremely strong and lightweight.
- Fast installation, approximate rate of 12 per man hour.
- Installs on any surface from flat to vertical.

U-Anchor Attachment

The U3400-S EPDM is attached by fastening through the roofing assembly and into the structural decking with 2-12 approved fasteners, as directed by project specific engineering. The cover and separator membrane are primed and adhered in place over the cleaned and primed roof membrane and sealed around the perimeter with approved seam sealer.

The project engineering team must refer to Anchor Products fastener testing results and specify the type and number of fasteners required to complete installation properly.

Equipment Attachment

To securely mount your rooftop equipment to the U-Anchor, after its installed, the connection nut must be tightened to approximately 20-25 ft.-lbs.

Use a calibrated torque wrench during install to ensure appropriate results are achieved.

Refer to product documentation for detailed installation and component requirements.**

Testing

Results are based on plate performance only.

- Ultimate Load - Shear **X**: 9,575 lbs
- Shear **Y**: 8,682 lbs
- Ultimate Load - Tension: 4,201 lbs

Tested in accordance with ICC AC467

Individual roof deck assembly tests available upon request as application specific results may vary.

Warranty

- 20 Year Limited Material Only Warranty.
Subject to terms and conditions.

Product Specifications

Bolts

- 3/8"-16 x 1.5" Bolt*
- Material Type: 304 Stainless Steel

Plate

- Dimensions: 8.125" x 5.47"
- Fastener Hole Diameter: 0.265" (12 holes)
- Steel Thickness: 0.047" (1.194mm)
- Material Type: Galvanized Steel G90

Cover Membrane

- Manufacturer: Brand or Non-Brand Specific*
- Color: Default Black*
- Length: 14.5"
- Width: 11.75"

Packaging Specifications

- Sold Individually OR Full Box Quantity
- Individual Weight: Approx. 0.9 lb
- Full Box Quantity: 10 units
- Box Weight: Approx. 13 lbs
- Box Dimensions: 19" x 13" x 9"
- Full Pallet Quantity: 40 boxes
- Pallet Dimensions: 48" x 40" x 68"

* Specified option is standard. Custom options may be available for additional charge. Lead times may apply depending on roofing manufacturer and product availability.
