

Overview

Wall mounting is a great alternative to a roof mounted pipe system, if permitted by your project design. It allows for more space on the roof, eliminates potential trip hazards and offers options to install one pipe or multiple ones as needed. **The AP Solution™ 0330 Wall Mounted Pipe Securement System** is your solution to safely securing your system to the wall, vertically or horizontally.

The **Wall Mounted Pipe Securement System** from Anchor Products provides a wide range of options to create the perfect solution for your pipe support and securement needs. Customize your system further by choosing the specific pipe clamps with sleeves or rollers to meet your design specifications.

The **Wall Mounted Pipe Securement System** by Anchor Products, using the U-Anchor attachment, is the only pipe support system on the market that is mechanically attached with a water-tight anchor.

Features:

- The wall mounted pipe securement system is attached with the U-Anchor 3000 or 2000 Series Attachments and is easily customized for all your needs.
- Advanced system incorporating U-Anchors strength to better secure pipes against high winds and seismic events.
- Can be used with manufacturers pipe support system to provide proper securement.
- U-Anchors when installed properly will perform as designed for the life of the roof without any harm to the roof material.
- System is installed flush to the wall and allows for pipe runs up to 48" in width*. *(**For greater than 48" wide a custom solution using a 3rd support is available)*

ASCE 7-16 code requires all rooftop equipment to be bolted, welded, or otherwise positively fastened without consideration of frictional resistance.

Versatile system for all your pipe securement needs can be used with any manufacturers pipe support system to provide proper securement

Large Securement Detail

Small Pipe Diameter Securement

Optional Accessories

WALL PIPE SECUREMENT SYSTEM INCLUDES:

- 1- Three Sided Strut bracket
- 2- Hardware
- 3- U-Anchor 3000 Series Or 2000 Series

Optional Accessories:
