

# GWK 0600

## GUY WIRE KIT

The AP Solution **GWK 0600 Guy Wire Kit** from Anchor Products keeps your expensive rooftop equipment from being displaced and damaged, or worse, flying across the roof creating expensive leaks and consequential damages. The U-Anchor™ 2000 Series Attachment by Anchor Products and the GWK 0600 has demonstrated performance in the harshest environments securing rooftop equipment in high wind and seismic conditions.
